

2004 ILLINOIS

YOUTH BOWLING CHAMPIONSHIPS

ZONE RULES and FORMAT

1. This tournament is sanctioned by the Young American Bowling Alliance and shall be governed by the rules of the YABA. The tournament sanction number is **521**.
2. **Participation** in the Zone competition is a one-time entry. Any individual who attempts to bowl twice in the Zone competition will be disqualified.

Advancers out of the league competition must remain in the division they qualified in all subsequent competition. In the event a bowler qualifies in more than one league in the same division, the bowler must advance from the league in which the highest series was bowled. For identical qualifying scores, the bowler will advance from the league where the first score was bowled. An individual advancing from league in more than one division must choose which division they wish to enter for the Zone competition.

If a bowler advances out of league competition in more than one state/province/zone, the bowler must declare one state/province/zone to continue competing before the next competition level. Participation in any level of competition past the league competition in more than one state/province/zone will result in automatic disqualification.

If an individual qualified but cannot bowl in the Zone competition, replacements will be eligible based on order of finish in previous competition. If league competition is the prior level, the advancer must come from the same division and league as the "out-going" bowler. **Once a replacement has been made, the original bowler cannot be placed back into the tournament.**
